CHILDREN ARE REQUIRED TO STAY HOME WHEN THEY ARE SICK.

SE REQUIERE QUE LOS NIÑOS SE QUEDEN EN CASA SI ESTAN ENFERMOS.

Parent Drop-off and Pick-up

- Parents will call us to have one of our staff members come outside the facility to pick-up all children and to walk all children back to their cars at the end of the day.
- Sign-in sheet would be digital to limit the contact with parents and staff.
- Children's temperature will be checked upon arrival. Children who have a fever of 100.4⁰ (38.0⁰C) or above or other signs of illness should not be admitted to the facility.
- Kids would take their shoes off at the entrance and place them in the designated area, then children would wash their hands before entering the classrooms.
- Kids must have a pair of tennis shoes assigned exclusively for Hozanna use. (These shoes will be left at Hozanna at the end of the day in its designated area)

Everyday Preventive Actions

- Children will wash hands with soap and water after every activity and before snack and lunch time.
- Staff would clean and disinfect frequently touched surfaces such as door handles and tables.
- Encourage children and staff to cover cough and sneezes.
- If a child becomes sick, he/she will remain in the office while he/she is picked up by parents. The area will be cleaned and disinfected after the sick child has gone home.
- At the end of each day all areas such as office, bathrooms, and common areas will be cleaned and disinfected. An air purifier machine will be used to clean the air daily.
- All lunchboxes will be disinfected prior to entering the classroom.

Implementing Social Distance Strategies

- Considering we count with three spaces, we will have three groups of maximum 9 children per group to keep children separated during activities such as art, dance, and games. Each group would be in a different room.
- The groups will be the same each day.
- All fieldtrips are cancelled except for a once a week fieldtrip to the Lakefront Park for outdoor recreation.
